Immerse students in Asian cultures, to gain a greater understanding of the nearest continent to Australia, and the world's most populace. Beyond a demonstration of the cultural attributes of various countries, *Into Asia* offers an easy to understand introduction to the many connections between Australia and Asia.

Delivered using authentic Asian music, dance, and theatre styles, audiences learn experientially, on a journey spanning early indigenous contact, a modern history of Australian engagement, current issues, and likely future interactions, along with the many benefits we enjoy as a result of all these connections.
