

THE FRIEND SHIP

A treasure hunt about finding good friends and keeping them.

Set a course for an adventure into one of our most requested show topic areas. An entertaining examination of what makes good friendships, when a ship's crew find themselves all in the same boat, and must learn to get on, whatever the challenges.

Through an ever-changing combination of music, comedy, action drama, and interactive gameplay, the audience creates a map for shipmates to navigate their way through relationship pitfalls, and so learn the ingredients to success in their own friendships.

From the latest research and more than a decade's experience writing social skills performances for this age-group, writers of *The Friend Ship* have created a resource requested by teachers Australia-wide, and now available to your school.
